

Registration Form

You may register your child after birth. Please telephone the Registrar to arrange an appointment to visit the school. Classes are small, with a one-form entry of usually no more than 11 boys and 11 girls. We give priority to siblings of children already in school and the children of past Unicorns. Other places are offered to children on the waiting list at the discretion of the Headmistress.

I hereby apply to register my son/daughter for admission to the Unicorn School. I understand that pupils are admitted after the age of three years and that places will be allocated at the discretion of the Headmistress during the year preceding my child's due date of entry.

(Children of 6 years and upwards may be required to attend an interview and/or sit informal tests prior to being offered a place at the school.)

I accept the following conditions:

- On receipt of notice from the school that a place has been allocated, acceptance must be notified to the Headmistress within 14 days.
- A non-refundable deposit will be required to accompany the letter of acceptance. This will be deducted from the first term's fees.
- Once a place has been accepted, the parent will be liable to pay the first term's full fees unless he/she notifies the school in writing, not later than six months [1 March] before the proposed date of entry, that he/she has withdrawn the application.
- A loan of £2,500 per family shall be made to the school by 1 March preceding the September entry. No further such payment will be required for the admission of any brothers and sisters.
- I/we understand that the standard terms and conditions of the School may undergo reasonable changes as circumstances require and this will apply in all our dealings with the School

Unicorn School has a general duty to safeguard children and will share any concerns with parents as necessary.

Data Protection Act 1998 The information requested in this form will be used by Unicorn School for the purposes of the registration and administration and will be held both electronically and in paper form. By completing this form you consent to the school using your data in this way. This information will not be used for any other purpose or passed on to any person outside the school.
